Flexi Ladder (10' / 3.05 metres)

Applications

The Flexi Ladder is the ultimate solution for all your rescue and construction needs. It is most valuable when you need an instant, portable, non-permanent ladder.

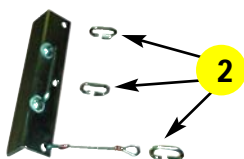

The Flexi Ladder comes in 10 ft. (3.05 metre) sections. A maximum of 20 sections can be connected together safely. Custom lengths are available. The Flexi Ladder has been tested to support up to 7000 lbs (3182 kgs) if used correctly.

Optional accessories are available for various rescue situations, such as the Parapet Angle (Part # 16307) and the Parapet Wall (Part # 16296).

Please contact your distributor for more details.

Accessories

Section Connectors (3 / pkg)

Hanging Plate

Parapet Angle

Parapet Wall

6 Carrying Bag (not shown)
